Wing Wall Washer 200W Tungsten Halogen	9
Wing Wall Washer 300W Tungsten Halogen	9
Wing Wall Washer 35W Metal Halide	9
Wing Wall Washer 70W Metal Halide	9 and 10
Wing Wall Washer 150W Metal Halide	10
Wing Wall Washer LED	10
Wing Wall Washer Accessories	10
Aureol Fresco Flood / Accessories	11
Mounting Clamps / Adapters / Spare Parts	12

## SPOTS Base Tension

### AUREOL BEAMSPOT

A general purpose MR16 low voltage spot; the recessed lamp design minimises glare and accessories allow for shaping the beam, colour and animation. Utilising the well-known and easily available MR16 range of 12V lamps the unit provides excellent light control.

[www.seleconlight.com/aureolbeamspot](http://www.seleconlight.com/aureolbeamspot) ou [www.panadiffusion.fr](http://www.panadiffusion.fr)

#### Product Features

- Hinged opening body for easy re-lamping, accessory mounting and filter installation.
- Engineered from aluminium pressure die castings and injected moulded engineering plastic.
- Positive pan and tilt adjustment with screw lock off.
- Integrated accessory and two filter mounting slots.
- Can accommodate an anti glare snoot, barndoor or BeamShaper lens tube.
- 'E' size patterns.
- Chrome models made to order only.

### Avec Transformateur Magnétique Intégré

Order Code	Description	List Price
ARLCT01	White fully adjustable BeamSpot for 12V MR16 lamp (not included), integral copper transformer. Max 50W. Fitted with 3 circuit universal track mount adapter.	€ 176.00
ARLCC01	White fully adjustable BeamSpot for 12V MR16 lamp (not included), integral copper transformer. Max 50W. Ceiling base mounted.	€ 166.00
ARLCF01	White fully adjustable BeamSpot for 12V MR16 lamp (not included), integral copper transformer, Max 50W. Fitted with 1.0m flexible mains cable (3 conductor).	€ 166.00
ARLCT03	Black fully adjustable BeamSpot for 12V MR16 lamp (not included), integral copper transformer. Max 50W. Fitted with 3 circuit universal track mount adapter.	€ 176.00
ARLCC03	Black fully adjustable BeamSpot for 12V MR16 lamp (not included), integral copper transformer. Max 50W. Ceiling base mounted.	€ 166.00

ARLEDT01	White fully adjustable BeamSpot for 12V MR16 lamp (not included), integral electronic transformer with in-built on board dimmer. Max 75W. Fitted with 3 circuit universal track mount adapter.	€ 233.00
ARLEDC01	White fully adjustable BeamSpot for 12V MR16 lamp (not included), integral electronic transformer with in-built on board dimmer. Max 75W. Ceiling base mounted.	€ 217.00
ARLEDF01	White fully adjustable BeamSpot for 12V MR16 lamp (not included), integral electronic transformer with in-built on board dimmer. Max 75W. Fitted with 1.0m flexible mains cable lead.	€ 217.00
ARLEDT03	Black fully adjustable BeamSpot for 12V MR16 lamp (not included), integral electronic transformer with in-built on board dimmer. Max 75W. Fitted with 3 circuit universal track mount adapter.	€ 233.00
ARLEDC03	Black fully adjustable BeamSpot for 12V MR16 lamp (not included), integral electronic transformer with in-built on board dimmer. Max 75W. Ceiling base mounted.	€ 217.00
ARLEDF03	Black fully adjustable BeamSpot for 12V MR16 lamp (not included), integral electronic transformer with in-built on board dimmer. Max 75W. Fitted with 1.0m flexible mains cable lead.	€ 217.00

## SPOTS

### AUREOL BEAMSPOT ACCESSORIES

Order Code	Description	List Price
ARLBS01	Aureol BeamShaper head, white. Required to turn BeamSpot into a BeamShaper. Supplied with lamp.	€ 145.00
ARLBS03	Aureol BeamShaper head, black. Required to turn BeamSpot into a BeamShaper. Supplied with lamp.	€ 145.00
ARLHK	Hook clamp for 48mm OD pipe (passivated gold colour).	€ 17.00
ARLAKTOOL	Allen key hand tool for all Selecon display luminaires.	€ 8.00
ARLSN03	Aureol Beamspot snoot, black.	€ 19.00
ARLSWB012	Aureol BeamSpot snoot, white with black interior.	€ 26.00
ARLBD03	Aureol BeamSpot 4-door barndoor, black.	€ 49.00
ARLBD0103	Aureol BeamSpot 4-door barndoor, white with black interior.	€ 49.00
RDFUV	Aureol BeamSpot U.V. glass block filter (50mm x 50mm square).	€ 25.00
ARLCFW	Aureol BeamSpot plastic colour filter holder, white.	€ 8.50
ARLCFB	Aureol BeamSpot plastic colour filter holder, black.	€ 8.50

### REPLACEMENTS

Order Code	Description	List Price
ARLELE005 240V	Replacement Aureol transformer - copper magnetic type 'C' - 220-240V.	€ 52.00
ARLELE004	Replacement Aureol transformer - electronic power supply - 220-240V.	€ 78.00
ARLMET007	Replacement pattern (E size) retention ring.	€ 1.00

### DIFFUSION GLASS

Order Code	Description	List Price
SAADGCP	Prismatic Diffusion Glass - 50mm diameter.	€ 14.50
SAADGID	Medium Diffusion Glass - 50mm diameter.	€ 14.50
SAADGL	Linear Spread Diffusion Glass - 50mm diameter.	€ 14.50
SAADGO	Obscure Diffusion Glass - 50mm diameter.	€ 14.50
SAADGSS	Soft Diffusion Glass - 50mm diameter.	€ 14.50
SAADGSSET	Diffusion Glass sample set of 6 - all 50mm diameter.	€ 88.00
SAADGWFO	Opal Diffusion Glass - 50mm diameter.	€ 14.50

## PROJECTEUR Mini Découpe 90w Halogène ou de 20w à 35w CDM avec porte Gobos

### SELECON DISPLAY PROFILE

A sophisticated lighting instrument with accurate beam shaping, precision projection optics; colour, dichroic glass and plastic filter options which enable the use of imagery, colour, logos, texture, depth and shape.

[www.seleconlight.com/spx](http://www.seleconlight.com/spx)

#### Product Features

- Delivers up to 3 times the light output of the Aureol BeamShaper with accurate shaping of the beam and precise pattern / logo projection.
- Available in two zoom optical systems: 15°-35° and 25°-50°.
- Allen key lock offs and reference scales for all adjustments offers the means to effectively assure the integrity of the original lighting design.
- Choice of long life 20W (12,000 average life hours) or 35W (12,000 average life hours) CDM, and 12V tungsten halogen (4,000 average life hours) light sources.
- Luminaire includes "E" size pattern holder and ships with lamp.

#### 15-35° 90W TUNGSTEN HALOGEN : 12V

Order Code	Description	List Price
SDP1535THT01	White 15°-35° Display Profile (includes lamp) - track mount.	€ 486.00

The Selecon Display Profile Demo Case is an excellent tool to add to your sales representative toolbox.

## PROJECTEUR Découpe BT 50W 12V

### AUREOL BEAMSHAPER

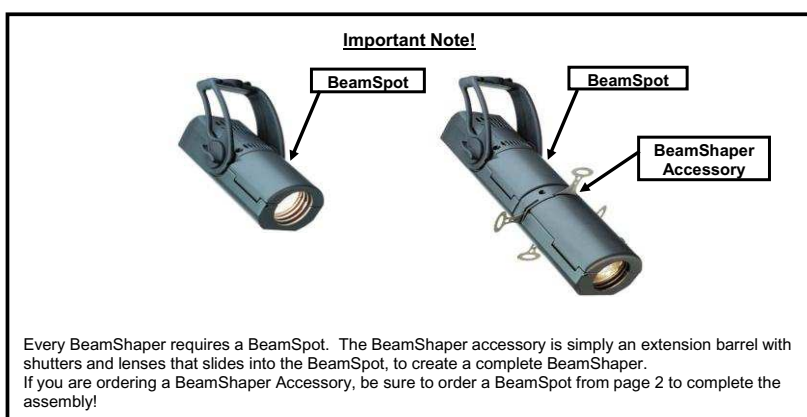

The Aureol BeamShaper is a high performance projection spotlight accessory for the Aureol BeamSpot. It precisely shapes and controls a beam of light using four integral shutters. It is also capable of projecting images using stainless steel or glass gobos. When added to an Aureol BeamSpot (required) it offers the same features as the BeamSpot with MR16 12V lamp, integral power supply and mounting options.

[www.seleconlight.com/aureolbeamshaper](http://www.seleconlight.com/aureolbeamshaper)

#### Product Features

- This drop in lens barrel accessory turns any Aureol BeamSpot into a zoom ellipsoidal.
- Dedicated designed aspheric lenses to maximise light output and projection clarity.
- Beam angle zoom adjustment 26-50°.
- Integrated gobo mounting. Rotatable lens barrel allows image rotation with screw lock off.
- Four captive shaping shutters.

Order Code	Description	List Price
ARLBS01	Aureol BeamShaper Lens Barrel (turns a BeamSpot into a BeamShaper), white. Supplied with lamp.	€ 145.00
ARLBS03	Aureol BeamShaper Lens Barrel (turns a BeamSpot into a BeamShaper), black. Supplied with lamp.	€ 145.00

### AUREOL BEAMSHAPER ACCESSORIES

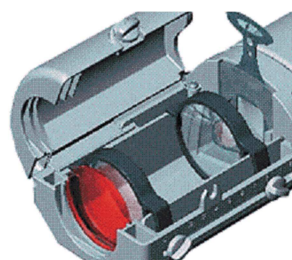

Order Code	Description	List Price
ARLHK	Hook clamp for 48mm OD pipe (passivated gold colour).	€ 17.00
ARLAKTOOL	Allen key hand tool for all Selecon display luminaires.	€ 8.00
RDFUV	Aureol BeamSpot/Shaper U.V. glass block filter (50mm x 50mm square).	€ 25.00
ARLCFW	Aureol BeamSpot/Shaper plastic colour filter holder, white.	€ 8.50
ARLCFB	Aureol BeamSpot/Shaper plastic colour filter holder, black.	€ 8.50

### REPLACEMENTS

Order Code	Description	List Price
ARLELE005 240V	Replacement Aureol transformer - copper magnetic type 'C' - 220-240V.	€ 52.00
ARLELE004	Replacement Aureol transformer - electronic power supply - 220-240V.	€ 78.00
ARLMET007	Replacement pattern (E size) retention ring.	€ 1.00

### DIFFUSION GLASS

SAADGO	Obscure Diffusion Glass - 50mm diameter.	€ 14.50
SAADGSS	Soft Diffusion Glass - 50mm diameter.	€ 14.50
SAADGSSET	Diffusion Glass sample set of 6 - all 50mm diameter.	€ 88.00
SAADGWFO	Opal Diffusion Glass - 50mm diameter.	€ 14.50

## PROJECTORS

### AUREOL RECESSED BEAMSHAPER

Ceiling Plate

The Aureol Recessed BeamShaper brings the use of projection and the control of light in a fully recessed format to the display lighting market. The unit allows the lit object to be the feature without the luminaire being seen. By utilising the BeamShaper lens body (same as the surface mounted BeamShaper) the recessed unit has the same level of high optical performance and ease of operation as the surface mounted unit.

This makes the use of recessed and surface mounted units on the same project easy for installation and maintenance as the lamp type, projection gobos and focusing adjustment are identical.

[www.seleconlight.com/aureolrecessed](http://www.seleconlight.com/aureolrecessed)

#### Product Features

- Provides lighting effects without visual disruption to architectural spaces.
- 265mm overall ceiling plate with 130mm x 70mm rounded aperture.
- Up to 45 degrees tilt angle projection to wall and 360 degrees rotation.
- Tamper and interference resistant for public areas.
- Four easily adjustable captive shaping shutters for beam shaping.
- MR16 12V lamp 20W to 50W.
- Unique mounting system allows easy angle and rotation for beam aiming with pan and tilt lock.
- Integrated gobo mounting, no loose holder required.
- Two integrated colour filter mounting slots.
- On board dimmer allows the end user to set the lighting level of each luminaire locally.

## PROJECTORS Découpe à Décharge de 70w à 150w CDM

### ASTRAL AXIAL ZOOMSPOT

The Astral Axial Zoomspot combines a high quality projector-like beam with a long life CDM display lamp which provides a high output precise beam and long operating life. The combination of the latest compact arc discharge lamps, axial configuration and custom lens design results in two variable zoom luminaires that deliver leading performance with a beam that is precise, even and simply adjusted from peak to flat.

[www.seleconlight.com/astralaxial](http://www.seleconlight.com/astralaxial)

#### Product Features

- 12,000hrs long life discharge lamp available in 70W or 150W, 3000° K or 4200° K.
- Additional light output available for CDM SA lamps; refer performance specification
- Available in 18-34° or 24-44° beam angles with interchangeable lens trays changeable without the use of tools.
- Electronic power supply.
- Slot provided for iris or rotatable gobo holder.
- Swing down doors for easy access to lamp or lens cleaning.
- Available in black or white finish.
- White finish model includes all cable, knobs, shutter handles and yoke in matching white colour.

## CYCLIDE WALL WASHERS

### WING RANGE OF WALL WASHERS

The Wing Wall Washer offers lighting designers and specifiers tungsten halogen or metal halide lamp sources to choose from. The Wing Wall Washer provides high quality, efficient illumination of walls and general display lighting.

[www.seleconlight.com/wing](http://www.seleconlight.com/wing)

#### Product Features

- Visually even wash of light with high colour rendering to evenly illuminate walls 3m and higher.
- Beam edges are well defined but "soft" allowing adjacent beams to blend together without distracting highlights.
- Integrated stylish design with minimal visual impact on the architectural space.
- Precision tilt/pan lock off adjustment and reference scale allows for standard setup and operation.
- Beam can be masked with barndoor accessory.
- Colour glass and plastic filter holder accessory.

## WALL WASHERS

### AUREOL FRESCO FLOOD

The Aureol Fresco Flood provides an even wash of light from a wide choice of light sources. This luminaire is an ideal wall washer or subject flood.

[www.seleconlight.com/aureolfresco](http://www.seleconlight.com/aureolfresco)

#### Product Features

- The body is engineered from a combination of aluminium pressure die castings and extrusions.
- Light sources and precision designed reflector are recessed into the luminaire housing for excellent glare control.
- Positive pan and tilt adjustment with allen screw lock off.
- Colour filter holder for glass or plastic filter.
- Four way barndoors to shape/mask the light beam.

Order Code	Description	List Price
